- ME / CFS
- Environmental stress
- Gastrointestinal disorders

THE RIGHT SUPPORT FOR EVERYONE

The PhytoBox GmbH/AONM Range offers high-quality food supplements in capsule and tincture form. We are an internationally operating service provider for patients, alternative practitioners, doctors, clinics and therapists. Our focus is to support the immune system in chronic disease, inflammation, environmental / toxin pollution, ME/CFS, as well as other multi-infection / multi-system disease.

As a young and dynamic company it is our utmost concern to offer products of very high quality and effectiveness. We stand for fair and honest pricing and a transparent company structure.
